Guest Speaker Jackie Bauer

At the age of 18, Jackie gave her heart to Jesus. She promised Him she would go where ever He wanted to send her as long as she could teach His word and show others His love. Little did she know that promise would eventually lead her to the East Coast.

On a backpacking trip through Europe Jackie met her wonderful future husband Roland. After two years of writing, phone calls and visits, Jackie and Roland married and have stayed happily married for 28 years! They have lived in West Milford, NJ for 25 of those years, raising three children--Eric, Mark and Aaryn—who are the joy of their lives. Coming from very different backgrounds (Roland from Queens, NY and Jackie from a small town in South Dakota) and having traveled widely, they have had the opportunity to meet and learn to understand people from all walks of life and various cultures.

With a B.S. in Education, Jackie taught school in Colorado prior to marrying and moving to the East Coast. She then worked as a substitute teacher in Pennsylvania and in NJ while raising children. She has also used her teaching gift through years of teaching women's Bible studies, Sunday school, leadership development, manager training and customer service skills.

Jackie and Roland are active members of The Journey Church of the Highlands in West Milford (formerly Christian Life Center), where they have served as leaders of various ministries, as Elders for 20 years, and now as the Executive Pastors.

Jackie's passion is to see others come to a relationship with Jesus, come to an understanding of who God created them to be, and then learn to live in the fullness of all God has for them.

Princess for a Lifetime (not just a Day)

How many times have we as women said to ourselves, our husbands, our friends, our children... "I wish I could be swept away to be treated like and feel like a Princess, just for a day"?

What would that feel like? How do you envision such a day? Why do we limit ourselves to just one day? Do we not feel we are worth more than just one day? Do we really see ourselves as Princesses?

During this time away we will discover how God sees us as His special Princesses...

What we believe about ourselves, verses what God believes about us...

Learn to see God as our covering and protection...

And learn to live and walk in the authority we have in Christ...
